Profiles

Brent Havens

Berklee-trained arranger/conductor Brent Havens has written music for orchestras, feature films and virtually every kind of television. His TV work includes movies for networks such as ABC, CBS and ABC Family Channel Network, commercials, sports music for networks such as ESPN and even cartoons. Havens has also worked with the Doobie Brothers and the Milwaukee Symphony, arranging and conducting the combined group for Harley Davidson’s 100th Anniversary Birthday Party Finale attended by over 150,000 fans. He has worked with some of the world’s greatest orchestras including the Royal Philharmonic in London, the Cincinnati Symphony Orchestra, the Minnesota Orchestra, the Indianapolis Symphony Orchestra, the Houston Symphony, the Atlanta Symphony, the Baltimore Symphony, the Dallas Symphony, the Fort Worth Symphony, the San Diego Symphony and countless others.

Havens recently completed the score for the film "Quo Vadis," a Premier Pictures remake of the 1956 gladiator film. In 2013 he worked with the Baltimore Symphony and the NFL’s Baltimore Ravens to arrange and produce the music for the Thanksgiving Day halftime show between the Ravens and Pittsburgh Steelers, adapting both classical music and rock songs into a single four minute show. Havens is Arranger/Guest Conductor for nine symphonic rock programs — the Music of Led Zeppelin, the Music of the Doors, the Music of Pink Floyd, the Music of the Eagles, the Music of Queen, the Music of Michael Jackson, the Music of The Who and most recently The Music of Whitney Houston and the Music of The Rolling Stones!

Randy Jackson

Randy Jackson is the lead singer/guitarist for the rock band Zebra. Randy's first foray into recording success began with the self-titled Zebra debut album, released on Atlantic Records in 1983. Critically acclaimed for its lush rock sounds, due in large part to Jackson's searing lead vocals and soaring guitar leads, the album sold 75,000 copies the first week. “Who’s Behind The Door” and “Tell Me What You Want”, written by Jackson, received serious notice in the press, and helped to form legions of Zebra fans almost instantly. The latest Zebra release, “Zebra IV,” was also produced and engineered by Jackson.

Randy toured as keyboardist, guitarist and backing vocalist in 1989 with the original, reunited Jefferson Airplane, their last tour together. He has also worked extensively in the area of musical software and hardware development.
