

## A Guide to Our Spaces

Do not make your own way into your booked space – go to either the main foyer (if meeting at main site) or the reception (if meeting at Globe Studios). You will be met there by a member of the HE team.

#### Main Foyer

The foyer's café is alongside the Sam Wanamaker Playhouse. Water can be found here or by the Information desk.

#### Globe Theatre and Sam Wanamaker Playhouse

Access via the main foyer is from 9am until 30 minutes after the final performance of the day has finished. Access outside of those times is via Stage Door.

Please consult the Globe or SWP user guides for further guidance on how to run sessions in these spaces. These are available on the Faculty Hub.

#### Bullring, Nancy Knowles Lecture Theatre, Watkins 1+2, and Underglobe

These spaces are on the Lower Ground floor.

- The **Bullring, Nancy Knowles, and Watkins Studios** are accessed via the stairs next to Box Office in the Main Foyer.
- The **Underglobe** is accessed via the West Block stairwell in the West Piazza.

The **Bullring** is a throughway to the Nancy Knowles and the Watkins spaces. It is also used as a quiet space and loo facilities for the public during our opening hours. It may be used for HE reflection sessions outside opening hours. Please do not cut across the Bullring if an HE session is taking place there.

The **Underglobe** is used as a function space by the Swan as well as for public Education events and occasionally Higher Education sessions. As with all our spaces, please do not enter the Underglobe unless it has been booked for you.

### **First Floor Office**

The First Floor Office houses our Education and Theatre departments.

We operate an open-door policy and it's always nice to see our Faculty. We politely ask that you are mindful to the workloads of the Higher Education team.

The use of computers in the First Floor Office is limited to full-time or part-time permanent contract holders. If you require computing equipment or a meeting room for your work for Higher Education outside of your sessions, please contact [higher.education@shakespearesglobe.com](mailto:higher.education@shakespearesglobe.com) and we will do our best to accommodate you.

### **Library and Archive**

This space is directly along the corridor from the First Floor Office. It can also be accessed via the back stair in the West Piazza.

Higher Education Faculty are encouraged to use the Library and Archive for research, teaching preparation, or quiet study. An overview of what it has to offer can be found in the Library and Archive section of the Faculty Hub.

Please note that the Library is reference only, and that books cannot be borrowed. You are welcome to make an appointment to come and read them in the Library.

Spaces must be booked in advance due to capacity limits. If you'd like to make an appointment to use the Library or Archive, please contact [library@shakespearesglobe.com](mailto:library@shakespearesglobe.com).
